President
DR. SUSAN A. COLE

Dear Class of 2017,

Graduation from college is, by any measure, one of life's major milestones, and I join your professors, family and friends in applauding all you have achieved through your hard work and dedication as students at Montclair State.

You experienced many changes at the University during your time here, including new buildings, new programs and new faculty. As the University has grown in size, quality and scope, its national reputation has risen, enhancing the degree you have earned. You can take some pride in Montclair State's nation recognition as a Research Doctoral University ranking from U.S. News & World Report and The Wall Street Journal as one of the nation's top universities.

All of us at Montclair State have shared a passionate commitment to supporting your education goals and preparing you to meet the exciting challenges of your future. We look forward to seeing the wonderful things you will accomplish as you make your way through a life that will be both planned and, we hope in exciting ways, unpredictable as well. I hope this yearbook will remind you that Montclair State University will always be your university. Please stay in touch with us and with the powerful network of more than 110,000 Red Hawk alumni who stand ready to serve as lifelong friends, mentors and professional contacts.

Go forth with confidence and seize the day!

Susan A. Cole
President

Dear Class of 2017,

I am always delighted for the opportunity to write you and all graduates at Montclair State University as I reflect back on another successful year at our University. Montclair State University is a very special place and you have been lucky to part of it during its very vital growing years. Nowhere else in the state can you find an institution of higher education that has grown as significantly as we have grown. Our student population has more than doubled since I first arrive here. We have a healthy and diverse collection of students of greatly varied nationalities, religious denominations, social economic backgrounds, different orientations and political points of view. We have a faculty and staff that has grown with our students and share many of the same traits that describe our students. We are a colorful, eclectic groups of people united under the red and white of the Montclair State University banner.

As an institution we have succeeded through a vision of attainment of a higher education degree by all who seek it. That education is complemented with the infrastructure and resources that are second to none. We prize the great value that your presence at the University has brought to your peers, your faculty and to the entire Montclair State community.

In your time here you have seen new construction and significant renovation of older facilities, as we constantly refresh ourselves as a modern forward thinking institution. As you leave you can see the beginning of additional renovations to come. We will continue to develop as a University of which you always can be proud. I hope you will stay involved with your alma mater and through your good works, keep Montclair State University in the minds of all you meet.

Congratulations on all the years of study and hard work that have resulted in graduation from Montclair State University. Graduation from a four year institution is an accomplishment shared by a small percentage of the population; cherish your success. Take with you the tools and values you acquired at the University and from your family in establishing yourself in this next chapter of your life. Be sure to aim high. Choose compassion over complacency. Prize courage over comfort. Use your imagination, ingenuity and audacity to explore, discover and change a world undergoing ceaseless and kaleidoscopic challenges. Become an engaged and responsible citizen. Be a mentor and trusted friend. Embark on new adventures and continue to grow as an educated, ethical and caring person.

You always will be part of the Montclair State University family. Please come back and visit us often.

Dr. Karen L. Pennington

VICE PRESIDENT FOR STUDENT DEVELOPMENT AND CAMPUS LIFE

Dear MSU Graduates, Class of 2017

Congratulations on completing this amazing milestone in your life!

The journey to this milestone has been filled with opportunities and challenges that have impacted your academic, personal and social growth here, at the University and beyond. I am sure you can recall the times when that impact was experienced positively or met with resistance. HOW DID YOU MAKE YOUR MARK at Montclair State University?

There are many situations facing our society and people across the world requiring our attention. Everyone who can and who is willing to work hard and step up with passion, courage and resolve, has the opportunity to make their mark. Be "intentional" about the impacts you want to make in your surroundings. They should be purposeful and benefit others.

Moving forward, your impact as a role model can give hope through your words, work and genuine commitment to a better world. No matter who you are, where you live, what you do for a living, we can all make an impact on someone or something. Your impact may be instantaneous, or it may take days, weeks, or even years, but walking in the direction of your noble intentions will yield results.

To make your mark may require you to, do the noble thing when no one else wants to do it. It may also require you to make a genuine commitment to facilitate the change you envision. Most of all, hard work and dedication will put your mark on the final outcome.

Your degree and the skills you achieved at the University, along with your passion, equips you to make small and major contributions to our society. Chase down opportunities, advance in them and celebrate their growth and purpose. Every opportunity impacts someone or something and they may become even better because of you! MAKE YOUR MARK.

Montclair State University is proud to have been a part of your journey. We hope the knowledge, experiences and resources you gained here will empower you in your personal and professional journeys towards future success.

Margaree Coleman-Carter

DEAN OF STUDENTS

SGA PRESIDENT
MATTHEW LERMAN

To My Fellow Seniors,

I could write about all of my experiences here at Montclair State—the times I have succeeded and the times that I have failed. I could write about seeing Time Flies our freshman year, the installation of the Red Hawk Statue our sophomore year, the opening of the new CELS and SBUS buildings our junior year, or finally reaching our graduation this year. At the end of the day, my four years at MSU are probably very different from everyone else's. Ultimately, the one thing that connects us all is that we are all Red Hawks.

One thing that I had the opportunity to tell this year's freshman was that, "these next four years are going to go by way too fast for each and every one of you." That was three years after I heard them myself. Looking back, I still can't believe how true those words are. I think that we can all agree that time has gone by way too fast. At the end of the day, it isn't all about what we learned, but it's also about the experiences we had and the stories we can tell about our time here.

I was able to leave my mark here at Montclair State. I hope you were able to leave yours. Remember to leave your mark everywhere you go.

Congratulations!

Matthew B. Lerman
SGA President
2016 - 2017

BOARD OF TRUSTEES

CHRISTOPHER CLEMENT

Class of 2017,

Please accept my sincerest congratulations! Through your hard work, dedication and perseverance in your studies you have finally completed your program and it is your turn to graduate. This was no simple task and surely calls for some well deserved celebration with friends and family.

The next few weeks will be a transition for this class: whether you are continuing to pursue your field of study or entering the workforce. Much will change for many of us. One thing that will remain consistent is the time spent here.

I encourage all of you to reflect on your time here at Montclair State University the next time you have the chance. I hope that the time you spent here you will keep with you the rest of your life: whether it be the first time you came to campus or the last time you and some friends met up in the Student Center quad. These experiences have helped shape us all in some way.

Finally, I want to thank all of you for making these experiences possible. Without the incredible student body, Montclair State University would not exist. Remember that it was indeed YOU that made Montclair State University great! I wish you all the best and success in the years to come.

Carpe Diem,

Christopher Clement

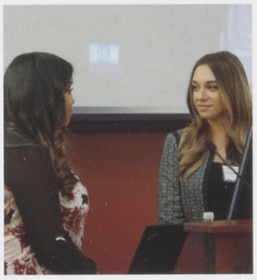
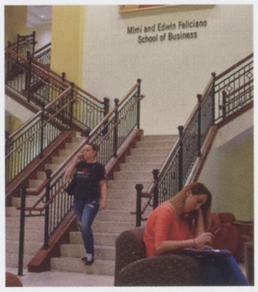
COLLEGE OF SCIENCE AND MATHEMATICS

Dear Graduating Seniors,

What a great time to be graduating with a degree in one of our College of Science and Mathematics disciplines. The challenges we face locally and globally can only be solved with the skills and knowledge you bring away with your degree. We're proud of all you've done here at MSU including the many who pursued research opportunities and original scholarship, internships, co-op programs and are now heading out on new paths in science, technology, mathematics and STEM education. We're confident all of our CSAM alumni will individually and collective help positively transform our future as they transcend into tomorrow's innovation leaders.

Robert Prezant
Dean
College of Science and Mathematics





SCHOOOL OF BUSINESS

At the Feliciano School of Business at Montclair State University, we are driven by a single goal: to transform today's students into tomorrow's business leaders. You will gain the skills, knowledge, and experience you need to compete successfully in today's global marketplace. Our programs offer a unique set of experiences designed to drive success in a range of corporate, non-profit and public sectors. You will engage with a world-class faculty of leaders and industry professionals, who will help you acquire the analytical thinking, communication and leadership skills that are the foundation of lasting professional success. Our undergraduate curriculum features innovative courses that will help you master the business theories, best practices and evolving global issues that define today's evolving marketplace.

COLLEGE OF THE ARTS

Graduating Seniors!

Well, you've made it. All the hard work and all the long hours have paid off. Your college career has drawn to a close, and you're ready to join the ranks of an esteemed and exclusive group: Montclair State alumni!

Yes, on the road of life, you're about to move into the passing lane. But don't forget to glance into the rear-view mirror now and then, and look back at where it all started. And when you do, you'll see all of you in the College of the Arts cheering on your every success.

On behalf of the faculty and the staff of the College of the Arts, I congratulate you and wish you the best in all your future endeavors!

Regards, Daniel Gurskis
Dean
College of the Arts

UNIVERSITY HALL
COLLEGE OF EDUCATION AND HUMAN SERVICES

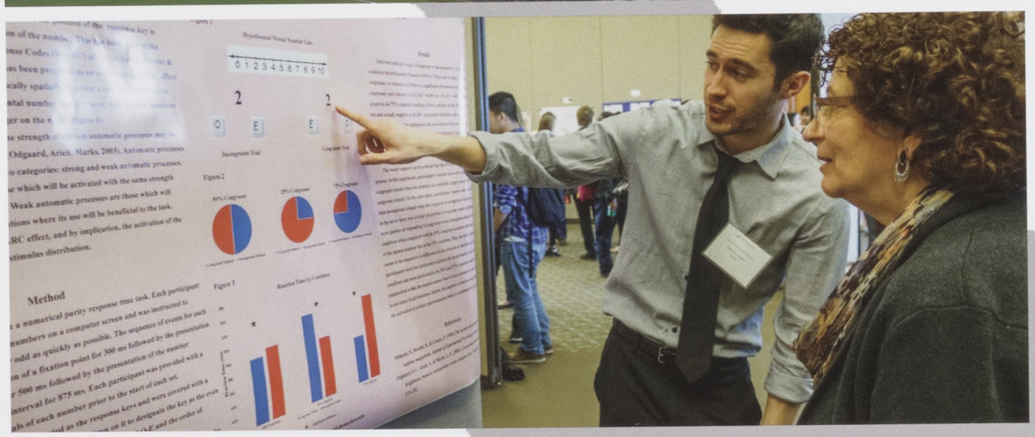
. . . to support excellence in teaching and learning
The expanding campus is indicative of Montclair State's commitment to provide an environment that supports innovative teaching and learning across the disciplines. Talented and dedicated faculty encourage students to realize their full potential by becoming engaged in scholarship, research and artistic endeavors that form the foundation to their future success.
MONTCLAIR STATE UNIVERSITY

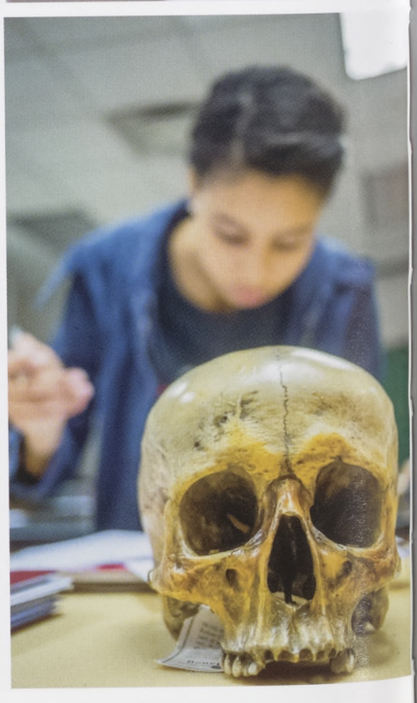
COLLEGE OF EDUCATION AND HUMAN SERVICES

Dear Graduating Seniors,

In the College of Education and Human Services (CEHS), we are continuously working to create a healthier, better educated, more just society. This important mission unites all of us as we work within and beyond CEHS to make a difference in the lives of children, families and communities. CEHS students study teaching, special and inclusive education, family and child studies, public health, nutrition, dietetics, food management, food science, counseling, educational leadership in K-12 schools and higher education institutions, athletic training, exercise science, literacy education, early childhood mental health, program evaluation, and student assessment. Our students complete strong academic programs that are continuously refined and updated to prepare graduates for employment and leadership in today's demanding, selective workplaces. We are proud of the highly professional, knowledgeable, and committed students and graduates of our programs.

Tamara Lucas
Dean
College of Education and Human Services





COLLEGE OF HUMANITIES AND SOCIAL SCIENCES

Dear Graduating Seniors,

Congratulations on your accomplishments. To get to graduation day, we've seen you push yourself – demonstrating tenacity and determination. You've tackled rigorous courses, developed bonds with faculty and students, and honed skills for success wherever you go. I know you will continue to take advantage of all life has to offer. Keep in touch; we know we'll hear more of your achievements in further study or whatever career or life path you choose to pursue.

"Be it on Shakespeare or the inner-workings of the brain, our students ask questions and find answers. They're passionate about their disciplines and they also develop robust skills – in writing, critical thinking, creativity, and more – to meet the needs of our ever-changing world."

CENTER FOR STUDENT INVOLVEMENT

The Center for Student Involvement, CSI, is the hub for getting involved on campus. Ranging from hosting fun events on and off-campus like Broadway Shows, Six Flags, BBQs, World's Fair Day, etc. to supporting the 120 student clubs/organizations, and helping students build a robust co-curricular transcript of their involvement at Montclair State.

COMMUTER STUDENT PROGRAMS & SERVICES

The Office of Commuter Student Programs and Services strives to create a strong community amongs the Commuter Students at Montclair State University. In doing so, this office, its student leaders, and CSPS host programs and provide a wealth of resources. These programs and services exist to support, connect and engage Commuter Students.

WMSC

WMSC-FM features a variety of programming including alternative music, news, sports, talk and special features. It is operated largely by University students with support from the School of Communication and Media's professional staff. The station broadcasts locally at 90.3 MHz and worldwide. Students in the school are especially encouraged to become involved with WMSC to gain hands-on experience with radio broadcasting and streaming as communication mediums. Additionally, WMSC welcomes all Montclair State University undergraduate students to join the organization. There are several opportunities for on & off air positions. Training is provided by our staff.

STUDENT LIFE AT MONTCLAIR

Student Life at Montclair, SLAM, is the SGA Programming Board. They plans and coordinate large-scale annual events such as Homecoming Week, Winter Ball, concerts, Montclairfest, MGLOW, Spring Bash, and Spring Week. These events are free for all undergraduate students. SLAM strives to bring the campus community together by providing social and recreational events with free t-shirts and opportunities to win awesome prizes!

LGBTQ CENTER

The Lesbian, Gay, Bisexual, Transgender, Queer (LGBTQ) Center seeks to create an open, accepting, and affirming atmosphere for LGBTQ+ individuals at Montclair State University. They were established in 2009 and strive to create a campus environment inclusive and supportive of sexual orientation, gender identity, and gender expression through collaboration with campus partners and student organizations, education and training initatives, advocacy, and support services. They also provide leadership opportunities through our Peer Education Program.

HEALTH PROMOTION

Health Promotion understands the impact of student health on academic performance and strives to enhance the social, physical and emotional well being of the diverse student body. Health Promotion is committed to providing services that are designed to develop healthy behaviors and prevent health concerns that may interfere with academic and personal success.

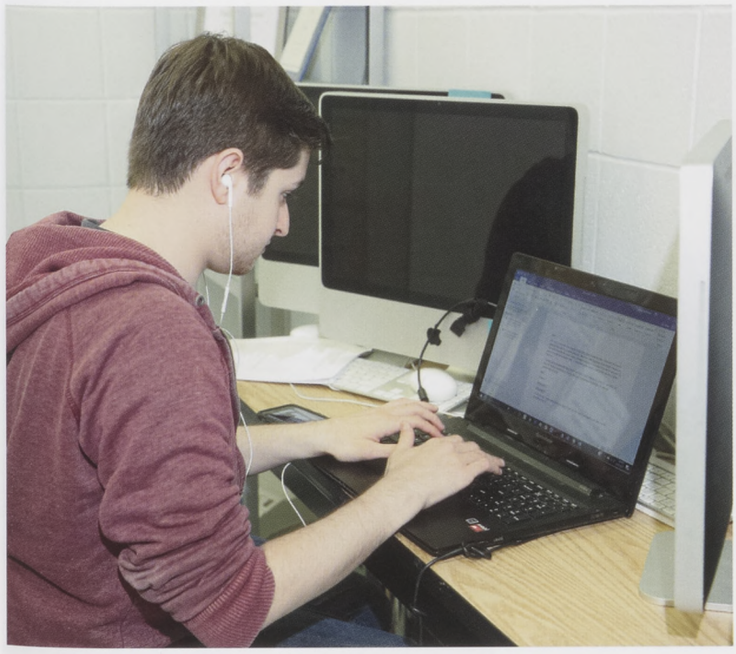
THE MONTCLARION

The Montclarion is the University's student-run newspaper and news web site. The publication gives students the opportunity to develop their skills in a multi-platform media environment where they can gain practical experience as reporters, photographers, copy editors, graphic designers, and web editors. Opportunities are available to all University students to contribute content to The Montclarion, regardless of their major area of study. The experience is especially valuable for those interested in a media career whether in print publication, web management, television or radio.



ADMISSIONS AMBASSADORS

Ambassadors of the Office of Undergraduate Admissions at Montclair State University are part of an elite group of students whose goal is to provide the best possible experience to guests while visiting the campus. They play a major part in the University's efforts to recruit a diverse student body which will benefit from our comprehensive undergraduate curricula and rich campus life community.

As Ambassadors, they assist prospective students and their families in their college search process when it pertains to Montclair State University. In an effort to present all that Montclair State has to offer, they lead daily campus tours for prospective students and their families. Additionally, they assist the professional staff of the Office of Undergraduate Admissions by facilitating campus wide open house programs, scholar days, freshman welcome programs, and a variety of other on and off campus programs.

BONNER LEADERS

Bonner Leaders commit to an average of 10 hours of service a week and 300 hours for the academic year. These hours are made up primarily of service to a community agency or project, but also from activities such as in-service workshops, training sessions, and retreats that address pertinent issues and teach valuable, transferable skills.

UNIVERSITY POLICE DEPARTMENT

The Montclair State University Police Department is an autonomous, fully certified and operational law enforcement agency that serves New Jersey's second largest and fastest growing university. UPD is charged with the enforcement of all state and local laws, as well as university rules and regulations. UPD is also responsible for the implementation of programs and services designed to promote public safety, crime prevention and community awareness.
